We will be heading back to Indy on Friday morning so that we will arrive at the JCC by **5 p.m.** You can pick your camper up in the front of the JCC in the BJE circle. I will be in contact with the JCC throughout our trip, and updates will be sent daily. You may also request to follow our Instagram page (@jccgesher\_2017) for pictures that may not be posted on other JCC pages. Contact with the campers may be limited at times during this trip so take advantage of the updates! Included with this letter you will find an itinerary and packing list. **Please label everything!** We cannot guarantee the safe return of any items (only the children), so please do not send anything you can't live without!

We want to thank you in advance for trusting us with your children. We know everyone will have a great time and we are looking forward to creating more memories with them!

### What are we doing today?

Today we will spend a good chunk of the day traveling. We will make a stop halfway to Gatlinburg to eat sack lunches. Upon arrival in Gatlinburg, we will check into the hotel. Once we are settled, we will be heading out to **Ripley's Aquarium of the Smokies** and surrounding Ripley's activities for the evening. The other Ripley's attractions include a 4D Theater and **Ripley's Believe It or Not!**

### What are we doing today?

Today will be a big walking day! We are waking up and heading to **"A Walk in the Woods"**. This is a group hiking experience through the Smokies. This hike is tailor-made specifically for our group. It will include a ton of interesting components such as creek stumping and stopping at historical locations along the way! From here we are going to head into Pigeon Forge for lunch and a visit to **The Island in Pigeon Forge**. Here we will eat, shop and play! The Island has a ton of small shops, good restaurants and fun rides! In the evening, we will be heading to **Ghost and Haunt Tours of Gatlinburg**. "Explore the supernatural Gatlinburg, The Gatlinburg that most people don't know exists. This tour is no dry history lesson or haunted house. There are no actors dressed as "ghosts" ready to jump out at you at every turn. Rather it is a walking tour of Gatlinburg that mixes tales of historical fact, legend and visits to the actual places where a number of the more "colorful" people and events have happened in Gatlinburg's history."

Wed,  
July 12

### What are we doing today?

Today we will wake up and head out to spend most of the day at **Splash Country Water Adventure Park**! We will enjoy the water rides and soak up the sun. After this we will head back to the hotel to clean up and get ready for an awesome time at **Dolly Parton's Smoky Mountain Adventures Dinner and Show**.
