

JCC Indianapolis Summer Care COVID-19 Guidelines

General Guidelines

- Staff and children will have their temperature taken during the daily symptom screening
- If they show any symptoms or have a fever of 100.4°F or higher, they will be sent home
- Only JCC Staff and children will be permitted in the areas used for Summer Care
- Please have children refrain from bringing any play items from home
- Staff will wear cloth coverings when necessary
- If a positive case of COVID-19 has occurred for a child or caregiver, the wing will close roughly 2–5 days to facilitate thorough cleaning and staff will work with our local health officials to help us determine appropriate next steps

Grouping Guidelines

- Children will be in groups of 10 or less
- If groups are in a large room together, they will be spaced apart according to CDC guidelines and separate entrances will be used
- Groups will play active games modified to follow CDC guidelines
- Each group will clean and sanitize areas and equipment used after every activity
